2017 Rain Event Permit Fee Reimbursement Request

Property owners may be eligible for reimbursement of permit fees for repairs related to the August 28, 2017 Rain Event. This includes permits applied for and issued between August 29, 2017 and October 27, 2017 for repairs caused by flooding or surcharge of the sanitary and storm sewer system that occurred on August 28, 2017. This would include permits for:

- Mechanical, plumbing and electrical work.
- Replacement or repairs of damaged furnaces, water heaters, washers and dryers.
- Installation of backwater valves.

Permits must be obtained before the work begins. Permit fees shall be reimbursed after the work has been inspected and approved by city's inspector(s) no later than June 30, 2018. **Reimbursement requests should be submitted after the work is approved by the appropriate city inspector.**

To request reimbursement, provide the information requested below and submit this completed form to the City of Berkley Building Department for processing. Reimbursements will be processed within 60 days after receipt of completed forms. Payments will be issued to the current property owner of record, according to the City's property tax roll.
