CITY OF BERKLEY, MICHIGAN

FREEDOM OF INFORMATION ACT

PUBLIC SUMMARY - PROCEDURES AND GUIDELINES

Consistent with Public Act 563 of 2014 amending the Michigan Freedom of Information Act (FOIA), the following is the Public Summary of the City's FOIA Procedures and Guidelines relevant to the general public.

1. How do I submit a FOIA request to the City of Berkley?

- Requests to inspect or obtain copies of public records prepared, owned, used, possessed or retained by the City of Berkley may be submitted in writing.
- A request must sufficiently describe a public record so as to enable the City to find it.
- No specific form to submit a written request is required. However a FOIA Request form for your use and convenience is available on the City's website at www.berkleymich.org.
- Written requests can be made in person by delivery to any City office in person or by mail.
- Requests can also be made by facsimile by calling (248) 658-3301 for non-Public Safety records and (248) 658-3388 for Public Safety Records.
- A request may also be submitted by e-mail. To ensure a prompt response, email requests should contain the term "FOIA" or "FOIA Request" on the subject line and be sent to FOIA@berkleymich.org.

Note: If you are serving a sentence of imprisonment in a local, state or federal correctional facility you are not entitled to submit a request for public record.

2. What kind of response can I expect to my request?

- Within 5 business days of receipt of FOIA request the City will issue a response. If a request is received by facsimile or email, the request is deemed to have been received on the following business day. The City will respond to your request in one of the following ways:
 - Grant the request,
 - Issue a written notice denying the request,
 - Grant the request in part and issue a written notice denying in part the request,
 - Issue a notice indicating that due to the nature of the request the City needs an additional 10 business days to respond, or
 - Issue a written notice indicating that the public record requested is available at no charge on the City's website.
- If the request is granted, or granted in part, the City will ask that payment be made for the allowable fees associated with responding to the request before the public record is made available. If the cost of processing the request is expected

to exceed \$50, or if you have not paid for a previously granted request, the City will require a deposit before processing the request.

3. What are the City's fee deposit requirements?

- If the City has made a good faith calculation that the total fee for processing the request exceeds \$50.00, the City will require that you provide a deposit in the amount of 50% of the total estimated fee. When the City requests the deposit, it will provide you a non-binding best efforts estimate of how long it will take to process the request following receipt by the City of your deposit.
- If the City receives a request from a person who has not paid the City for copies of public records made in fulfillment of a previously granted written request, the City will require a deposit of 100% of the estimated processing fee before it begins to search for the public record for any subsequent written request when **all** of the following conditions exist:
 - The final fee for the prior written request is not more than 105% of the estimated fee;
 - The public records made available contained the information sought in the prior written request and remain in the City's possession;
 - The public records were made available to the individual, subject to payment, within the time frame estimated by the City to provide the records;
 - Ninety (90) days have passed since the City notified the individual in writing that the public records were available for pickup or mailing;
 - The individual is unable to show proof of prior payment to the City; and
 - The City has calculated an estimated detailed itemization that is the basis for the current written request's increased fee deposit.
- The City will not require the 100% estimated fee deposit if any of the following apply:
 - The person making the request is able to show proof of prior payment in full to the City;
 - The City is subsequently paid in full for all applicable prior written requests; or
 - Three hundred sixty five (365) days have passed since the person made the request for which full payment was not remitted to the City.

4. How does the City calculate FOIA processing fees?

- A fee will not be charged for the cost of research, examination, review and the deletion and separation of exempt from nonexempt information unless failure to charge a fee would result in unreasonable high costs to the City because of the nature of the request in the particular instance, and the City specifically identifies the nature of the unreasonably high costs.
- The Michigan FOIA statute permits the City to assess and collect a fee for six designated processing components. The City may charge for the following costs associated with processing a request:

- Labor costs associated with searching for, locating and examining a requested public record.
- Labor costs associated with a review of a record to separate and delete information exempt from disclosure of information which is disclosed.
- The cost of computer discs, computer tapes or other digital or similar media when the requester asks for records in non-paper physical media. This may include the cost for copies of records already on the city's website if you ask for the city to make copies.
- The cost of duplication or publication, not including labor, of paper copies of public records. This may include the cost for copies of records already on the city's website if you ask for the city to make copies.
- The cost to mail or send a public record to a requestor.

Labor Costs

All labor costs will be estimated and charged in 15-minute increments, with all partial time increments rounded down. If the time involved is less than 15 minutes, there will be no charge.

Labor costs will be charged at the hourly wage of the lowest-paid City employee capable of doing the work in the specific fee category, regardless of who actually performs work.

Labor costs will also include a charge to cover or partially cover the cost of fringe benefits. City may add up to 50% to the applicable labor charge amount to cover or partially cover the cost of fringe benefits, but in no case may it exceed the actual cost of fringe benefits.

Overtime wages will not be included in labor costs unless agreed to by the requestor; overtime costs will not be used to calculate the fringe benefit cost.

Contracted labor costs will be charged at the hourly rate of \$48.90 (6 times the state minimum hourly wage of \$8.15)

A labor cost will not be charged for the search, examination, review and the deletion and separation of exempt from nonexempt information unless failure to charge a fee would result in unreasonably high costs to the City. Costs are unreasonably high when they are excessive and beyond the normal or usual amount for those services compared to the City's usual FOIA requests, because of the nature of the request in the particular instance. The City must specifically identify the nature of the unreasonably high costs in writing.

Copying and Duplication

The City must use the most economical method for making copies of public records, including using double-sided printing, if cost-saving and available.

Non-paper Copies on Physical Media

The cost for records provided on non-paper physical media, such as computer discs, computer tapes or other digital or similar media will be at the actual and most reasonably economical cost for the non-paper media.

This cost will be charged only if the City has the technological capability necessary to provide the public record in the requested non-paper physical media format.

Paper Copies

Paper copies of public records made on standard letter (8 ½ x 11) or legal (8 ½ x 14) sized paper will not exceed \$.10 per sheet of paper.

Copies for non-standard sized sheets of paper will reflect the actual cost of reproduction.

The City may provide records using double-sided printing, if cost-saving and available.

Mailing Costs

The cost to mail public records will use a reasonably economical and justified means.

The City may charge for the least expensive form of postal delivery confirmation.

No cost will be made for expedited shipping or insurance unless you request it.

Waiver of Fees

The cost of the search for and copying of a public record may be waived or reduced if in the sole judgment of the FOIA Coordinator a waiver or reduced fee is in the public interest because it can be considered as primarily benefitting the general public. The City Council may identify specific records or types of records it deems should be made available for no charge or at a reduced cost.

5. How do I qualify for a reduction of the processing fee?

- The City may waive or reduce the fee associated with a request when the City determines that to do so is in the public interest because release of information is considered as primarily benefitting the general public.
- The City will discount the first \$20.00 of fees for a request if you submit an affidavit stating that you are:
 - Indigent and receiving specific public assistance; or
 - If not receiving public assistance, stating facts demonstrating an inability to pay because of indigence.
- You are **not** eligible to receive the \$20.00 discount if you:
 - Have previously received discounted copies of public records from the City twice during the calendar year; or
 - Are requesting information on behalf of other persons who are offering or providing payment to you to make the request.

Note: An affidavit is a sworn statement. For your convenience, the City has provided an Affidavit of Indigence for the waiver of FOIA fees, which is available on the City's website: www.berkleymich.org.

6. May a nonprofit organization receive a discount on the fee?

- A nonprofit organization advocating for developmentally disabled or mentally ill individuals that is formally designated by the state to carry out activities under subtitle C of the federal developmental disabilities assistance and bill of rights act of 2000, Public Law 106-402, and the protection and advocacy for individuals with mental illness act, Public Law 99-319, may receive a \$20.00 discount if the request meets all of the following requirements in the Act:
 - Is made directly on behalf of the organization or its clients.
 - Is made for a reason wholly consistent with the mission and provisions of those laws under section 931 of the mental health code, 1974 PA 258, MCL 330.1931.
 - Is accompanied by documentation of its designation by the state. if requested by the public body.

7. How may I challenge the denial of a public record or an excessive fee?

Appeal of a Denial of a Public Record

- If you believe that all or a portion of a public record has not been disclosed or has been improperly exempted from disclosure, you may appeal to the City Council by filing a written appeal of the denial with the office of the City Manager (or "clerk" or "FOIA Coordinator," etc.).
- The appeal must be in writing, specifically state the word "appeal," and identify the reason or reasons you are seeking a reversal of the denial. You may use the City FOIA Appeal Form (To Appeal a Denial of Records), which is available on the City's website: www.berkleymich.org.
- The City Council will be considered to have received the appeal at its first regular scheduled meeting following submission of the appeal. Within 10 business days of receiving the appeal the City Council will respond in writing by:
 - Reversing the disclosure denial;
 - Upholding the disclosure denial; or
 - Reverse the disclosure denial in part and uphold the disclosure denial in part.

Whether or not you submitted an appeal of a denial to the City Council, you may file a civil action in Oakland County Circuit Court within 180 days after the City's final determination to deny your request. If you prevail in the civil action the court will award you reasonable attorneys' fees, costs and disbursements. If the court determines that the City acted arbitrarily and capriciously in refusing to disclose or provide a public record, the court shall award you damages in the amount of \$1,000.

Appeal of an Excess FOIA Processing Fee

- The City Council will be considered to have received the appeal at its first regular scheduled meeting following submission of the appeal.
- If you believe that the fee charged by the City to process your FOIA request exceeds the amount permitted by state law, you must first appeal to the City Council by filing a written appeal for a fee reduction to the office of the City Manager (or “clerk” or “FOIA Coordinator,” etc.).
- The appeal must specifically state the word “appeal” and identify how the required fee exceeds the amount permitted. You may use the City FOIA Appeal Form (To Appeal an Excess Fee), which is available at the City Hall and on the City’s website: www.berkleymich.org.
- Within 10 business days after receiving the appeal, the City Council will respond in writing by:
 - Waiving the fee;
 - Reducing the fee and issue a written determination indicating the specific basis that supports the remaining fee;
 - Upholding the fee and issue a written determination indicating the specific basis that supports the required fee; or
 - Issuing a notice detailing the reason or reasons for extending for not more than 10 business days the period during which the City Council will respond to the written appeal.

Within 45 days after receiving notice of the City Council’s determination of the processing fee appeal, you may commence a civil action in Oakland County Circuit Court for a fee reduction. If you prevail in the civil action by receiving a reduction of 50% or more of the total fee, the court may award all or appropriate amount of reasonable attorneys’ fees, costs and disbursements. If the court determines that the City acted arbitrarily and capriciously by charging an excessive fee, court may also award you punitive damages in the amount of \$500.
