

Report and Recommendations of the
2017 City of Berkley Citizens Advisory Committee

In the completion of its mission, as charged by the Berkley City Council, the 2017 Citizens Advisory Committee for Infrastructure Improvements (CAC) makes the following recommendations, in addition to those previously reported to the City Council:

Community Center

By unanimous vote, the CAC recommends that City Council take the appropriate action to place on the ballot, a bond millage for the construction of a new Community Center, as identified as option 1B in the recent Stantec land usage report.

City Hall/Historic Firehouse

By unanimous vote, the CAC recommends that City Council take the appropriate action to place on the ballot, a bond millage for the renovation and remodeling of City Hall and the Historic Firehouse, in an amount not to exceed \$4,500,000.

Ballot

By majority vote, the CAC also recommends that any ballot proposals related to these, or its previous recommendations, be placed on the ballot as separate ballot proposals.

Respectfully submitted,

2017 Citizens Advisory Committee for Infrastructure Improvements
