Digital Resources from Berkley Public Library

You can access lots of great content from home—books, movies, music, magazines, and more! You'll need your library card number and PIN; try 1234 or the last 4 digits of your phone number if you don't remember your PIN. If that doesn't work or you have any other problems or questions, contact the library at 248-658-3440 or email us at library@berkleymich.net and we'll help you get it figured out.
