

**CITY OF BERKLEY BUILDING DEPARTMENT
HOMEOWNER PERMIT**

Michigan State Law^{*} gives a homeowner who lives or intends to live in a single family house an exemption that allows him to act as his own contractor for that single family house.

This means that a homeowner may obtain a permit for work at his own home. If you choose to act as your own contractor and obtain the required permits, please be aware of the following:

- As the permit holder, you incur all of the liability and all of the responsibility that a licensed contractor would normally assume.
- The City of Berkley cannot assist you in any cause of action against an unlicensed contractor you have hired to perform work under the permit you obtained.
- As the permit holder, it is your responsibility to have a complete understanding of the current codes.
- As the permit holder, you are responsible to correct any code violations regardless of whether or not a contractor or other persons did the work under the permit you obtained.
- As the permit holder, you are responsible for completing the job under the permit you obtained.

I have read and understand the conditions set forth by the State of Michigan for the issuance of a permit to a homeowner.
